GRA PARTNERS EXPANDS ITS CORPORATE COMMUNICATIONS OFFERING WITH APPOINTMENT OF NATHAN QUIGLEY

GRA Partners has expanded its corporate communications offering with the appointment of experienced public relations practitioner Nathan Quigley.

Mr Quigley joins as a Director and brings to GRA Partners more than 20 years combined international experience, working in Australia and the United Kingdom in senior communications consultancy and government roles.

He offers strong media, stakeholder and issues management expertise across a range of industries from agribusiness, health promotion, land development and transport infrastructure, through to food and retail.

Mr Quigley will play a key role in driving the firm's formal corporate communications offering – a major component of the re-brand to GRA Partners that was announced in June.

Jason Marocchi, Managing Partner of GRA Partners, comments: "We are delighted in welcoming Nathan to our team. Nathan has an excellent track record, is commercially astute, experienced in handling complex issues and his expertise increases the depth of our experienced and trusted team."

Prior to joining GRA Partners, Mr Quigley was the Corrective Services' Media Manager for the WA Department of Justice. He also held director positions at national communications firms and was previously the communications manager for the \$1bn London Blackfriars rail station redevelopment.

GRA Partners is majority owned by Clemenger Group company GRACosway – Australia's leading public affairs and corporate, financial communications counsel.

Chairman Hon Eric Ripper AM heads up the local partnership, along with Mr Marocchi and Partner Amanda Reid.
